Each winner receives a framed certificate and a 'Jack Petchey Foundation Medallion'.

They also choose how their award money is to be spent within the organisation. This has included a set of sculls for the 'octo', the refurbishment of specific racing boats, 'junior section' cox boxes and representation at the 'National Schools Regatta'.

Junior leaders are not forgotten - Sue Eggeman, our junior co-ordinator and coach, received an award for dedication to coaching throughout the season. She has chosen to purchase a new 'ergo' for the 'juniors'.
